Reservation of the equipment can be made by logging on to <https://schedule.tau.ac.il/biochem/Web/index.php> booking webserver.

For registration on the server, during the first logging in, please use your university email and password.

- The server will automatically register the staff affiliated to the department of Biochemistry and Molecular Biology (department code: 0421).
- The personnel affiliated to other departments intending to use the equipment will be required to send email to Dr. I. Michaelevski ([izhakm@post.tau.ac.il](mailto:izhakm@post.tau.ac.il)) providing the personal details, including 1) email address, 2) university phone number, 3) department and faculty of affiliation, 4) the name of PI, 5) the name of equipment planned to be used
  - o Registration of persons not affiliated to the Biochemistry and Molecular Biology department depends on the Computational Center. It will not be conducted immediately and may take up to three days.
- Use of Odyssey reader requires per laboratory registration in addition to personal reservation. To register your lab, please send an email on behalf of the PI to Dr. I. Michaelevski ([izhakm@post.tau.ac.il](mailto:izhakm@post.tau.ac.il))

Feedbacks and comments are welcomed. Please send them to Dr. I. Michaelevski ([izhakm@post.tau.ac.il](mailto:izhakm@post.tau.ac.il))

Dr. Izhak Michaelevski
